

## Luminari

A story.  
A fox.  
A spirit.  
An icon.

In Finnish, "Lumi" means snow. In Japanese, "Inari" is the fox spirit, the deity of rice and the harvest.

Luminari is a magical arctic fox, a playful spirit that captures the hardiness, the stability, the creativity and power of the CFML language.

She serves as a symbol of the magic of CFML, one united icon to bring all programmers together.
